## Effects of preferential flow and radiocesium-rich microparticles (CsMPs) on spatial heterogeneity of $^{137}\text{Cs}$ in forest soils after the Fukushima accident

### Conference topic

Terrestrial radioactivity

**Author:** TAKAHASHI, Junko (University of Tsukuba)

**Co-authors:** YOSHIMURA, Kazuya (Japan Atomic Energy Agency); Prof. YAMASAKI, Shinya (University of Tsukuba); Mr MISHIMA, Shunsuke (University of Tsukuba); Prof. ONDA, Yuichi (University of Tsukuba)

**Track Classification:** Radionuclides as tracers of environmental processes
