

# Measurements of $^{236}\text{U}/^{239}\text{Pu}$ mass ratio using Inductively Coupled Plasma Mass Spectrometry in cryoconite samples on glaciers of western Norway

## Conference topic

Radionuclides as tracers of environmental processes

**Author:** WOJCIECHOWSKI, Kamil (Institute of Nuclear Physics Polish Academy of Sciences)

**Co-authors:** CWANEK, Anna (Institute of Nuclear Physics Polish Academy of Sciences); ŁOKAS, Edyta (Institute of Nuclear Physics Polish Academy of Sciences); YDE, Jacob Clement (Western Norway University of Applied Sciences, Sogndal, Norway); WACHNIEW, Przemysław (AGH University of Krakow)

**Presenter:** WOJCIECHOWSKI, Kamil (Institute of Nuclear Physics Polish Academy of Sciences)

**Track Classification:** Radionuclides as tracers of environmental processes
