

# Unprecedented radioactive pollution in Spitsbergen air during the 21st century

## Conference topic

Radionuclides as tracers of environmental processes

**Authors:** CWANEK, Anna (Institute of Nuclear Physics Polish Academy of Sciences); Dr BURAKOWSKA, Agnieszka (National Centre for Nuclear Research); Dr NALICHOWSKA, Ewa (Institute of Nuclear Physics, Polish Academy of Sciences); Prof. DŁUGOSZ-LISIECKA, Magdalena (Lodz University of Technology, Institute of Applied Radiation Chemistry); Dr KUBICKI, Marek (Institute of Geophysics, Polish Academy of Science); Dr WAWRZYNIAK, Tomasz (Institute of Geophysics, Polish Academy of Science); ŁOKAS, Edyta (Institute of Nuclear Physics Polish Academy of Sciences); Dr GRZYŹIŃSKI, Michał (National Centre for Nuclear Research)

**Track Classification:** Terrestrial radioactivity
