

Progress in the determination of ^{10}Be using Accelerator Mass Spectrometry in the CENTA laboratory

Conference topic

Recent developments in analytical technologies

Author: JEŠKOVSKÝ, Miroslav (Faculty of Mathematics, Physics and Informatics, Comenius University in Bratislava)

Co-authors: BOBÁL, Boris (Faculty of Mathematics, Physics and Informatics, Comenius University in Bratislava); KONTUL, Ivan (Faculty of Mathematics, Physics and Informatics, Comenius University in Bratislava); KAIZER, Jakub (Faculty of Mathematics, Physics and Informatics, Comenius University in Bratislava); POVINEC, Pavel (Comenius University in Bratislava)

Presenter: JEŠKOVSKÝ, Miroslav (Faculty of Mathematics, Physics and Informatics, Comenius University in Bratislava)

Track Classification: Recent developments in analytical technologies
