

A Low-Background Room-Temperature Semiconductor Detection System for the Analysis of Strontium-90 in Seawater

Conference topic

Progress in environmental radioactivity studies

Authors: Dr KIM, Younghak (Korea Atomic Energy Research Institute); Dr KIM, Hyuncheol (Korea Atomic Energy Research Institute); Dr JANG, Mee (Korea Atomic Energy Research Institute); Dr SEO, Jaehyeon (Korea Atomic Energy Research Institute); Ms KIM, Gahyun (Korea Atomic Energy Research Institute); CHA, hyemi (Korea Atomic Energy Research Institute)

Track Classification: Progress in environmental radioactivity studies
