

Automated radiochemistry for Environmental Radioactivity

Conference topic

Recent developments in analytical technologies

Author: Dr KIM, Hyuncheol (Korea Atomic Energy Research Institute)

Co-authors: KIM, Gahyun (Korea Atomic Energy Research Institute); JEONG, Narin (Korea Atomic Energy Research Institute); Ms CHOI, Sang-Do (Korea Atomic Energy Research Institute)

Presenter: Dr KIM, Hyuncheol (Korea Atomic Energy Research Institute)

Track Classification: Recent developments in analytical technologies
