

Radiocarbon in the gaseous and particulate constituents of the atmosphere in Bratislava, Slovakia

Conference topic

Terrestrial radioactivity

Author: KONTUL, Ivan (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava)

Co-authors: RICHTÁRIKOVÁ, Marta (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava); POVINEC, Pavel (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava); CHERKINSKY, Alexander (Center for Applied Isotope Studies, University of Georgia, Athens, Georgia, USA); JEŠKOVSKÝ, Miroslav (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava); KAIZER, Jakub (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava); BOBÁL, Boris (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava); SUČÁK, Karol (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava)

Presenter: KONTUL, Ivan (Faculty of Mathematics, Physics and Informatics, Comenius University, Bratislava)

Track Classification: Terrestrial radioactivity
