

Network of CzechRad mobile gamma radiation detectors in Poland –infrastructure for detailed spatial area mapping of dose rates, hotspot identification, and detection of radiation events related to warfare

Conference topic

Terrestrial radioactivity

Author: KIEREPKO, Renata (Institute of Nuclear Physics Polish Academy of Sciences)

Co-authors: Dr SZUMSKA, Agnieszka (Institute of Nuclear Physics Polish Academy of Sciences); Dr MROZIK, Anna (Institute of Nuclear Physics Polish Academy of Sciences); RUMAN, Daniel (Slovak Medical University (SMU)); GOMOLA, Igor (Slovak Medical University (SMU)); FOJTÍKOVÁ, Ivana (National Radiation Protection Institute (SÚRO)); HELEBRANT, Jan (National Radiation Protection Institute (SÚRO)); HŮLKA, Jiří (National Radiation Protection Institute (SÚRO)); DAVIDKOVA, Marie (National Radiation Protection Institute (SÚRO)); Dr KRZYSIEK, Mateusz (Institute of Nuclear Physics Polish Academy of Sciences); FOJTÍK, Pavel (National Radiation Protection Institute (SÚRO)); RAGAN, Pavol (Slovak Medical University (SMU)); Prof. OLKO, Paweł (Institute of Nuclear Physics Polish Academy of Sciences)

Track Classification: Terrestrial radioactivity
