

NOR in NORM: naturally occurring radionuclides in naturally occurring radioactive materials – characteristics, principles of measurement organization, and interpretation of measurement results

Conference topic

Author: Prof. MICHALIK, Bogusław (Silesian Centre for Environmental Radioactivity, Central Mining Institute - National Research Institute, Katowice, Poland)

Presenter: Prof. MICHALIK, Bogusław (Silesian Centre for Environmental Radioactivity, Central Mining Institute - National Research Institute, Katowice, Poland)

Session Classification: Parallel Session 2B

Track Classification: New challenges in the studies on environmental radioactivity
