

# The simplest rules of a collaboration

Piotr Homola

Institute of Nuclear Physics PAS

CREDO Inauguration, Kraków, 30 August 2016

# CREDO rules: 1st proposal

---

**Open & transparent:** „world is yours to explore”

**Active membership:**

you participate in data acquisition, analysis, discussion or promoting the project

**Passive membership:**

You only watch

**Registrants of the CREDO Inauguration Meeting**

invited to accept „active membership”

**Expert flag: PhD education in natural sciences**

**Newcomers:** need to be accepted by one (passive) or two (active) expert-members

# CREDO: strategy towards a success

---

- Plenty of enthusiastic people (spread a word, **be open**)
- Plenty of detectors (expand, promote, build, r&d)
- Communicate (website, social platform)  
<http://credo.ifj.edu.pl>
- Aggregate know-how (CREDO-wiki)
- Publish (every **active member** can claim authorship)  
**two papers already in preparation!**

# CREDO: vision

Why don't we use our  
water container for a more  
humanitarian purpose?  
Let's join CREDO!

Cool, we too! Ice-house  
can be a CR detector,  
And we can work at home!
