

Session Program

26-27 May 2026

2nd Workshop on Research & Innovation in Poland

Session 2 - Irradiation

Institute of Nuclear Physics Polish Academy of Sciences, Auditorium
Walerego Eljasza Radzikowskiego 152, 31-342 Krakow

Tuesday 26 May

16:45

Session 2 - Irradiation

Session |**Location:** Institute of Nuclear Physics Polish Academy of Sciences, Auditorium, Walerego Eljasza Radzikowskiego
Cz. V. 2A, Kraków, 26.05.2014

16:45-17:00

Studies of irradiation-induced defects in materials

Speaker

Paweł Horodek

17:00-17:15

Influence of irradiation on the magnetic properties of coordination polymers

Speaker

Piotr Konieczny

17:15-17:35

Interests from the Technical University

Speaker

Błażej Skoczen

17:35
