

# 1st Low and High Temperature Superconductors: Research and Applications

## Wednesday, 29 November 2017

**Review of scientific and technical activities - Conference room 25220 (14:00 - 15:40)**

time	[id] title	presenter
14:00	[13] Preparation of ceramic superconductors – technological facilities of the Institute of Ceramics and Building Materials	PĘCZKOWSKI, Paweł JAEGERMANN, Zbigniew
14:20	[14] Nadprzewodniki w KFCS AGH	ZALECKI, Ryszard
14:40	[18] Zakład Mikroelektroniki ITE	ZACHARIASZ, Piotr
15:00	[15] Experimental set-up for strength test at cryogenic temperature	TABIN, Jakub
15:20	[17] KRIOSYSTEM Niskie Temperatury w Nauce, Przemysle i Medycynie	GRZEGORY, Piotr
