## XIII Workshop on Particle Correlations and Femtoscopy

Contribution ID: 29 Type: not specified

## Femtoscopy with identified charged pions in proton-lead collisions at $\sqrt{s}$ NN=5.02 TeV with ATLAS

Tuesday, 22 May 2018 12:10 (25 minutes)

Presenter: CLARK, Felix

Session Classification: Femtoscopy in A+A, p+p , p+A and e+-e- collisions at relativistic ener-

gies
