

XIII Workshop on Particle Correlations and Femtoscopy

Saturday, 26 May 2018

New methods and facilities (11:00 - 12:45)

-Conveners: Adam Matyja

time	[id] title	presenter
11:00	[46] LHCb upgrade plans	SZUMLAK, Tomasz
11:27	[44] NA61/SHINE - plans beyond 2020	STASZEL, Pawel
11:53	[45] Double parton scattering effects in heavy meson production	MACIULA, Rafal
12:19	[47] Existing and future experiments at Nuclotron Based Ion Collider Facility (NICA)	BATYUK, Pavel
