

XIII Workshop on Particle Correlations and Femtoscopy

Wednesday, 23 May 2018

Charge fluctuations, correlations and balance functions (09:00 - 10:30)

-Conveners: Tadeusz Lesiak

time	[id] title	presenter
09:00	[89] Modified Skellam, Poisson and Gaussian distributions in semi-open systems with charge conservation laws	SINYUKOV, Yuriy
09:30	[90] Charge balance functions - A microscopic approach	PRATT, Scott
10:00	[91] Cumulants of net-proton number fluctuations from ALICE at the LHC	BEHERA, Nirbhay
