

XIII Workshop on Particle Correlations and Femtoscopy

Friday, 25 May 2018

Collective flow and correlations (14:00 - 16:00)

-Conveners: Marek Kowalski

time	[id] title	presenter
14:00	[70] Partial correlations as means of exploring the initial stage	BRONIOWSKI, Wojciech
14:24	[71] Flow correlations in rapidity	BOZEK, Piotr
14:48	[72] Azimuthal correlations in systems of different sizes at the LHC from the CMS	STOJANOVIC, Milan
15:12	[73] Recent results on flow and correlations from the ATLAS experiment	TRZUPEK, Adam
15:36	[74] Anisotropic flow measurement from NA61/SHINE and NA49 experiments at CERN SPS	KASHIRIN, Evgeny
