

# Multiscale phenomena in molecular matter

## Tuesday, July 7, 2015

### Nano-sized Materials (12:40 PM - 1:40 PM)

| time     | [id] title   | presenter                  |
|----------|--|----------------------------|
| 12:40 PM | [40] Impact of functionalizing organic molecules on properties of magnetic nanoparticles | Prof. NGUYEN XUAN, Phuc    |
| 1:10 PM  | [108] Nanostructure characterization by neutron scattering methods                       | Prof. BELUSHKIN, Alexander |
