Preparation Of Abstract For SPAS 2024 Conference

D. Bocian, D.Zajdel, IFJ PAN, Kraków, Poland

This document describes the requirements for the submission of abstract to SPAS 2024 conference. Please consult individual conference information for page limits, method of electronic submission, etc. It is not intended that this should be a tutorial in word processing; the aim is to explain the particular requirements for electronic publication at these conference.

Template is provided for recommended software and authors are advised to use them. Please consult the individual conference help pages if questions arise.

Abstracts should be prepared for one side of the paper and have B5 size (17.6 x 25 cm; 6.93″ x 9.84″). The margins should be as follows: top - 4 cm, bottom - 2 cm, left - 3 cm, right - 2 cm.

Authors should use only Times New Roman (in roman, bold or italic) and Symbol fonts. All contributions should use 10 pt font size for the normal text.

The title should use Title Case 14 pt bold letters and be centered on the page.

The names of the authors and their organization/affiliation should be listed alphabetically in Title Case 12 pt letters, grouped by affiliation. When there is more than one author, the presenting author´s name should be underlined.

Paragraphs should use 10 pt font and be justified (touch each side). The beginning of each paragraph should be indented approximately 3 mm (0.13 in). The text should not exceed 2000 characters.

All bibliographical and web references should be numbered and listed at the end of the abstract. When citing a reference in the text, place the corresponding reference number in square brackets, e.g., [3]. A URL may be included as part of a reference, but its hyperlink should NOT be added. See the templates for a typical example.
